

LEGAL NOTICE

STATE OF LOUISIANA, OFFICE OF CONSERVATION, BATON ROUGE, LOUISIANA.

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Hearing Room, 1st Floor, LaSalle Building, 617 North 3rd Street, Baton Rouge, Louisiana, at 9:00 a.m. on **TUESDAY, JUNE 23, 2009**, upon the application of **MUNOCO COMPANY**.

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of Orders pertaining to the following matters relating to the **Wilcox A Zone, Reservoir C**, in the Trout Creek Field, LaSalle Parish, Louisiana.

1. To create an additional drilling and production unit for the exploration for and production of oil and gas or gas and condensate from the Wilcox A Zone, Reservoir C.
2. To force pool and integrate all separately owned tracts, mineral interests and other property interests within the proposed unit and with each sharing in unit production on a surface acreage basis of participation.
3. To grant an exception to the spacing provisions of Office of Conservation Order No. 1267-A, so as to permit the Applicant to complete, designate and utilize their Munoco Company-Placid Fee WB No. 6 Well as the unit well for production of oil and gas or gas and condensate from the Wilcox A Zone, Reservoir C, within the proposed unit designated WX A RC SUVV, such well location being shown on the plat submitted with the application.
4. To grant status of the previously drilled and completed Munoco Company-Placid Fee WB No. 6 Well as the unit well for WX A RC SUVV Tract.
5. To designate Munoco Company as the Operator of such unit well and WX A RC SUVV.
6. To determine that the requested completion wellbore will enable a more effective and efficient drainage of a portion of the reservoir within WX A RC SUVV which can not otherwise be drained by any other well located therein, absent approval of the exception to spacing provision.
7. To consider such other matters as may be pertinent.

The Wilcox A Zone, Reservoir C was defined as being that oil and gas or gas and condensate bearing interval encountered between the depths of 2,536' and 3,444' (electric log measurement) in the H.L. Hunt-Goodpine No. C-6 Well, located in Section 29, Township 8 North, Range 3 East, LESS AND EXCEPT the B-1 Sand, Reservoir A, as defined in Order No. 1267, effective January 31, 1985, insofar and only insofar as said sand underlies the unit created by said Order.

A plat is available for inspection in the Office of Conservation in **Baton Rouge** and **Monroe**, Louisiana.
